THE RAYMOND LION

The local Lions Club held a very enjoyable meeting in the Club Rooms at the Opera House at six-thirty on Monday, February 5th. Lucille served a very tasty and satisfying supper to twenty-eight Lions and four guests. The Tall Twister and Lion Tamer outdid themselves in playing their respective trades—much to the amusement of the Lions and complimentary to the Treasury.

A return visit, after more than two years, of our old friends and entertainers—Jan and Ethel—pleased the gang just as it used to do before Ethel was a farmer and Jan a preacher. The Lions kept them playing Beet-Pulp Boogie and others until they played out. Howard came along to see that they got a square deal and find out what all the roaring was about. If they enjoyed it half as much as we did, they will be back again.

Some rearranging of committees was announced and the new members were assigned to some active committee duties. This is a big month for local Lions members. The President assigned specific duties to the committees for the big night of February 17. Leo's Night Out is a gala social affair. Come and see the fun—fill your tummies—and have a gay hop or so. Karl Wilde is again the big Chef. Will Wilde, Official Greeter, is at the door. Arlidge Hill is Dance Director. Dee Rolfsen as Advertiser and Harker on the tickets.

We have one of our original Charter members back in the Club again. Joe McLeen was reinstated at the meeting on Monday. Some called for a speech, but those calling for a song were way out a head—Joe sang for us. One of the best years for programs, ever, was the year Joe was chairman of the Program Committee. We look for a bit of pepping up in the old barn with Joe back.

Heide Karaki and Tucker Hironaka took their partners to the Lethbridge Charter Night Party last Friday evening. They reported a very good banquet and program. The attendance was smaller than last year—it certainly was from Raymond.

Many romantic maidens claim they would prefer to live in a hut with the man they love—many more would prefer to battle it out in a palace with a man they hate.

Truly, there is nothing more desirable than fellowship, friendship. To the man with many friends the stream of life murmurs happiness, contentment, success. It broadens and deepens with the passage of time. Its ripples, glistening in the sunlight, are emblematic of those responsive souls, who giving their best, receive it back a thousandfold.

Goodfellowship—that is the Lion's ideal. No matter what may press and try you; no matter if your personal inclination is to crawl in a corner and grouch about your troubles; make it a habit, as fixed as the day, to go to the Lions Club supper meetings regularly and help make them what they should be. This done, the burden of life's grind will lighten in the joy of service, and you will return to your task with mind attuned to success, in rhythm with the great human family.

You have a Club or Group to which you owe your allegiance and through which you can give great service to your fellowman. Serve a little, unselfishly, see how it lifts you in your own private work.

It isn't your position that makes you happy or unhappy; it is your disposition.

What you have outside you counts less than what you have inside you.
—B. C. Forbes

Successful Film Show

Last Friday morning the Agricultural Class at the High School saw a preview of several educational and entertaining films shown by Mr. Ingle and Mr. Martin of the John Deere Plow Company and sponsored by Karl W. Wilde, local dealer.

The films that were shown at the school—"Oddities in Farming", "The All-American Team", "Mike on the Move", "His Father's Choice" and "Whats New in Farm Equipment for '51", plus a feature picture starring Don DeFore, "One Happy Family", were screened for the general public at the Capitol Theatre in the afternoon. Mr. Wilde informed us that he was very well pleased with the large turnout and the reception the films received. Approximately 350 people attended.

Two beautiful door-prizes were won by Mrs. Nora Peterson and Albert Winkler.

After the show hot drinks and doughnuts were served in the newly decorated show-room of the Karl Wilde garage by Mrs. Wilde assisted by Peggy and Mrs. E. P. Buan.

Karl wishes to express his appreciation to all those attending and in helping make this yearly event so successful.

Henry Piegrass left last Thursday for Cardston where he took over the management of the Quality Meat Market.

News from the Legion

It has been some time since we greeted you, so we now take type-writer on knee to see what's been doing the past month.

The big event of the month was of course the inauguration of a new Club President. Comrade Ray Attwood conducted his first meeting on the Second Wednesday of January. A number of sweeping changes in the organization were made. The membership drive is on with an objective of one hundred. This will mean that at least 75% of the Veterans remaining in the district will have to get out and support the Legion. Our next meeting, February 14th, will be membership night. Each member for 1950 is urged to turn out and bring a new member for 1951. If everyone supported this move we would reach our objective by our March meeting.

The Legion Canteen operates every Wednesday night and is growing in popularity each week. With genial George McGilivray as steward, things are really happening. There is some (continued on page three)

Capitol Theatre News

The Capitol management is indeed proud of the attractions coming to the Theatre next week. On Monday and Tuesday the screen presents "The City Across the River" which stars Stephen McNally. It is a thrilling play depicting behind the scenes of the life of delinquent juveniles. It is factual and if you will recall "The Naked City" you will want to see this, which is a worthy successor to it.

The most outstanding drama of any year comes next Wednesday and Thursday. It is Metro-Goldwyn-Mayer's masterful story of a city under the sidewalk. It has brilliant stars including Sterling Hayden and Louis Calhern. It is called "The Asphalt Jungle". (continued on page three)

Mr. and Mrs. Ross Larson and Mr. and Mrs. George Schneidt motored to Lethbridge Wednesday evening to attend the Civil Service meeting in the Civic Centre there.

PUBLIC NOTICE

By the Board of Trustees of The Raymond School District No. 700 of the Province of Alberta.

WHEREAS it is deemed expedient by the Board of Trustees of the Raymond School District No. 700, of the Province of Alberta, that the sum of \$210,000 should be borrowed on the security of the said District by the issue of Debentures repayable to the bearer in twenty equal consecutive annual instalments with interest at the rate of not more than six per centum per annum for the following purposes, namely:

Erection of a new High School building.

THEREFORE, notice is hereby given by the Board of the said School District that unless a poll of the proprietary electors of the said School District for and against the said debenture loan is demanded as provided by The School Act, the said Board will apply to the Board of Public Utility Commissioners for authority to borrow the said sum by debentures.

Of which all persons interested are hereby notified, and they are required to govern themselves accordingly.

J. G. Snow
Chairman

Dated at Raymond this 6th day of February, 1951.

(1) A poll of the proprietary electors for and against the by-law may be demanded within fifteen days after the date of the posting or of the last publication of this notice, by a demand in writing signed by five per cent of the proprietary electors of the school district; except that in a district situated wholly or in part within the boundaries of a city, the demand shall be signed by one hundred proprietary electors.

(1a) Notwithstanding the provisions of subsection (1) no poll shall be demanded if the amount to be borrowed is for the purpose of providing the first schoolhouse for the district and does not exceed two thousand dollars; or is for the purpose of erecting a first schoolhouse for a consolidated district and does not exceed five thousand dollars.

Every demand for a poll should be delivered to the Secretary of the Division or District, or in his absence, to the Chairman of the Board of Trustees, within fifteen days from the date of the posting of this notice. A certified copy of the demand should be forthwith forwarded to the Board of Public Utility Commissioners of Alberta, at Edmonton.

Proprietary Elector means any elector, other than a tenant, who is liable to assessment and taxation for school purposes in respect of any property situated in a School District.

Monday evening Mr. and Mrs. A. E. Hancock entertained at a family dinner in honor of their son Calvin who is leaving shortly on a mission. Among the thirty guests present were Mr. and Mrs. George Loxton, Mr. and Mrs. Bud Strong and two sons from Magrath and Mr. and Mrs. Harold and Mrs. and Mrs. Allan Christensen of Stirling. A delicious buffet lunch was served after the enjoyable evening of visiting and viewing colored slides.

Be Glad

Monday, the 19th of February, is Nomination Day for the civic elections of Raymond with Election Day following one week later — on the 26th. If you aren't satisfied with the way the business of the Town is being conducted — and if you think you or anyone else can do a better job — now is the time to do something about it.

Elections — free elections — are one of the most wonderful gifts that it is possible for the peoples of the earth to have. As one of the few bastions of personal freedom left in the world we should be truly grateful to our God. The right to elect any citizen to hold any office is a thing undreamed of in most parts of this tired old world so when you think about this privilege — be glad.

The retiring members of the Council are Frank Taylor and Wm. Wilde and Mayor Jensen's term of office also expires this year. These men, who, we are told, have done excellent work for the Town, have agreed to stand for re-election.

The retiring members of the School Board are Wilford Meldrum and Ira McBride. They have not yet stated their intentions.

Jacks Enter Finals

Last Saturday night, Feb. 3, the Union Jacks reached the finals in the International Basketball League by winning the second straight game from Lethbridge Green Acres by a score of 55 to 44.

The Jacks got the jump on the Acres in the first minutes of the game and never looked back. At half-time however, the Acres were only two points behind, the score reading 23 to 22. Several times during the game the Lethbridge boys came within a whisker of tying it up but with the Jacks playing superior ball, the capacity crowd never became worried. Up to the last four minutes of the game the Acres were only four points behind but then the Jacks caught fire so fast and effectively that they gained an eleven point lead and clinched the game.

Starry Larry West led the locals to victory with 14 points. Al West and Renn Mitchell were close behind with 13 apiece. Fernandez was again the big gun for Lethbridge, scoring 15 points.

The final score again was Raymond 55 and Lethbridge 44.

Jacks: Ziehn 5; Mitchell 13; Rolfsen; A. West 13; Stevens; L. West 14; Attwood; Hicken 10; McClean. For 55. Green Acres: Marcus 10; Fisher; Hansen 10; Fernandez 15; Walton 4; Greenway 1; Michelson 3; Proctor 1. For 44. — Vede

On Saturday, the 17th of February, the Stake YWMA will hold another Rummage and Pantry Sale in the Coffee Shop. Proceeds from these sales go toward the building of a Girls Summer Home in Waterton.

An Interesting Letter

The following is part of a letter written by LaDon Meldrum who is attending the University of Utah. The letter was written to her parents, Mr. and Mrs. T. W. Meldrum.

The Rotary Banquet yesterday was really wonderful. It was held in the Banquet Hall of Hotel Utah. They served us ham, squash, potatoes, any drink, fruit cocktail, gravy, rice and raisin pudding.

There were seven Salt Lake business men and myself at our table. One of them was Elder Richards of the Quorum of the Twelve. I felt it quite an honor.

There were four speakers—all students. One was a girl from the Phillippine Islands, who was dressed in her native costume. She looked just like a little doll. She was a major in English and graduated from the University of Manila, and is doing graduate work here for a Masters degree.

The next speaker was a boy (Mr. Kim) from Korea. He was chased out by the Communists and went to South Korea where he won a scholarship. He has a brother who volunteered to work with the American Marines, and he received a letter from him the other day which was headed "To a brother in Paradise, from a brother in Hell". He has not heard from the rest of his family since the Communists recaptured Seoul.

The third speaker was a boy from Indo-China who just arrived in the United States about three days before Christmas 1950. He also was chased out by the Communists. He was caught four times trying to escape and the last time he was thrown in prison and sentenced to death. He was to be shot by a firing squad at 6:30 the next morning. At 3:30 a.m. he managed to break through the prison walls by loosening bricks, and escaped into the river under cover of the darkness. He stayed there in the water all day until dark again. Then he pushed out into the river and was carried downstream. It took him 3 months to travel 250 miles by river and through forest. He had nothing but his clothes, and a knife to get food with. When he reached the Capitol he got in contact with the American Embassy and they gave him a job. He went to school and won a Scholarship to come here.

The Temple Hill Cemetery Board met at the home of Mrs. Irene Halliday Wednesday afternoon to discuss plans for the Concert to be held on March 31.

Those present were: Chairman Delia Woolf, Floyd Wilde and Katie Wilde of Welling and Mr. J. D. Hall.

Mr. and Mrs. S. B. Smith had their son Sydney of Rosemary visiting them for the weekend, as well as their daughter Madeline of Calgary.

Just Penning Thanks

(Margaret Huszar)

We were reading W. H. Davies' poem "Lasure" in English one day and the truth of its philosophy struck me. You know the one—"What is this life if full of care, we have no time to stand and stare."

People today have so much to occupy themselves, that they rarely even stop to say "hello", let alone stand and stare. If they only knew how much they were missing! Our Grandparents were much more lucky than we are. They may not have had modern plumbing, but they stopped to watch a sunset. They had no modern time saving devices, but they had a closer communion with their maker.

And we? We're modern, we don't have time to stop and stare. It would cost money. How wrong can you get! We pay \$50.00 to see a set of modern paintings some wacky artist dreamed up in the depths of his insanity, when all around us we could see, if we stopped to look, the works of the Greatest Artist. They are ever changing, ever new. No two robins are the same. We don't even have to leave the office, or the school to see beauty. That new girl, for instance, may have the loveliest eyes in town; but do you notice? No, you're too busy looking for those \$\$. Five minutes either way is no time lost. In that five minutes you can fill your eyes and heart with the world around you. It makes one feel better too, to know that in the confused, unhappy world, there are still some things that retain their beauty thru war and misery. And consider yourself lucky to be here where you can take five minutes off to stand and stare. Not everyone is so blest.

Plans for New School Are Completed

The plans for the new school that is to be started this Spring on the vacant lots just west of the Opera House are now completed with just a few details to be worked out. The building, which will consist of ten class rooms, a full size gym and other necessary rooms, is to be completed in time for the commencement of the fall term.

There is a desperate need of more class-rooms for the children of Raymond and the new school building is the only way to provide these and prepare for future growth. For the past several years the number of pupils starting in grade one has increased so much that a new grade has had to be started until now there are three Grade One classes. As can easily be understood, this has put a great strain on available space in the schools which have now reached the point where there is absolutely no more room for expansion.

To ease the present situation by building a two or three room school would be folly because in a few more years there would be another space shortage, so the School Board has done some long range planning with the proposed new building which should take care of expansion for a number of years.

To build anything costs a lot of money and a school of this size will cost \$210,000.00 and because there is not that amount of money lying around in the School Board's coffers, they are preparing to float debentures to raise the money. Notices to this effect are now posted and all taxpayers are urged to read them, and also to attend the meeting next Monday, February 12th, at 8 p.m. in the Town Hall to learn more about the present conditions of your town.

LaDon's Letter

(continued from page one)

The last boy was a German who had been raised and taught under the Hitler regime. He was taken prisoner at 15 years of age by the Russians and sent to the Siberian Salt Mines near the Ural Mountains. There he was put to work and for nine months never saw daylight, and nearly starved and froze to death. Then he was sent out to work in the fields. He said the Russian people, after not more than half an hour's conversation would tell them that they hated Stalin and that they had hoped that Germany would set them free some day. He said their living conditions were so bad that it would be a compliment to call them "slums". He said that the Communist leaders have everything — the people nothing. While working in the fields he collapsed from sheer exhaustion and malnutrition. They put him in a hospital with about 200 other people. Soon a box car was pulled up and forty people were loaded into each car. Two weeks later when they were taken out they were back in Germany on the Elbe river. The Russians set a number free each week under a treaty with the United Nations. It was always the sick ones they set free. They were given discharge papers saying they were free, which had to be renewed each month. Well they wouldn't renew them and soon they were caught with outdated discharge papers and sent back to Russia. However this young fellow went to Berlin where he was contacted by the British Underground. They told him the only way to get out of Russia's clutches was to be taken prisoner by American, British or French troops. They didn't trust the British however and thought that they would probably be put to work in the French coal mines but they considered and thought it was better to work in the French coal mines than the Siberian salt mines. So a group of them started a brawl on the British line and were taken prisoners in Berlin. The British set them free, with papers and all. He went to Hamburg and worked and then went to school. He won a scholarship as an exchange student for one year.

They were all wonderful speakers. There were about 50 of the 106 foreign students present. 37 countries were represented. Each table was decorated with a UN flag and one flag for each country represented. It was really a big affair.

Each of us were given a pin with our name, country and major on it and each Rotarian wore his pin with his name, nick-name and business on it. It was really a grand doin'. They served about 350 people.

President Olpin and Dean Ballif were there too. They are really grand men.

All the missionaries who were not in the Mission Home by last Sunday were stopped by the draft board and now most of them have got their calls into the army. It is estimated that the population of the University will drop from 8,000 to 4,000. It dropped from 9,750 to 8,000 over the Christmas holidays. 99% of those were boys who were drafted.

All the bus lines and taxi stands are getting women drivers and women are replacing salesmen in the stores. Even the hotel elevator operators are women. It is really terrific. Ushers at the theatres are women too.

I don't suppose it will be too long before it happens at home but I sure hope not.

Friends will be pleased to learn that LaDon has been chosen Queen for the Green and Gold Ball of the Webster Ward in Salt Lake City.

The first of a series of three inoculations for typhoid was available to the general public, about 2,400 of whom accepted, on Saturday, Feb. 3. The second, again to be made available at the Town Hall, will be held this Saturday with the last one on the 17th of February.

A Sunday Night Club met at the home of Mr. and Mrs. Ken Stone this week to conclude the reading of the "Book of Alma". A delicious lunch was served by the hostess.

Mr. and Mrs. Golden Snow and Mr. and Mrs. Bruce Galbraith were special guests.

Sunday evening the Paul Redds, Joe Strongs, Kay Redds, John McPhees and Mrs. Bryant Jensen attended the Farewell Service in Lethbridge for Carmen and Gerald Urnsbach who are leaving on missions shortly. They were later guests at the home of Mr. and Mrs. J. W. Webster for a family get-together in honor of the two departing missionaries.

The local Legion Hall was the scene of a gay party on Monday evening when the members of the Raymond Music Club with their partners enjoyed a Valentine supper. The long tables were decorated with cunning cupid and glitter trees dripping with hearts. Favours and place cards carried out the Valentine motif. Nellie Duncombe and Ruth Salmon were in charge of the decorations.

The delicious hot supper was cooked and served by members of the Ladies Auxiliary to the Legion.

Following supper, contest games under the direction of Doris Court, and a program were enjoyed. Winners of the contest games were Emma Dahl Marie Matkin, Arch Terry, and Wm. Anderson. Muriel Terry conducted a hilarious game, dividing them into two groups, she gave them the same letters from which to compose telegrams.

The program, with Thirza Cooper as Master of Ceremonies, included a Skit by Mr. and Mrs. Harold Fairbanks and Dr. and Mrs. Gordon Anderson, under the direction of LaVern Anderson; a story by Eleanor Hudson a duet by Ruth Salmon and Joe Strong; a Skit by Joseph and Marie Strong; a song by Marie Matkin and Helen Sabey; a chorus made up of the students of Mr. Kirkpatrick; and a Rhythm Band by the gentlemen present. Ruth Salmon, accompanied by Emma Dahl at the piano, led the group in community singing. Dancing concluded the enjoyable evening.

(continued from page one)

form of entertainment for all members who wish to drop in any Wednesday at all and we'd like to see you all there.

The Legion has just concluded "Preparedness Week". A week in which all Legion Branches tried to impress upon our government leaders and the people as a whole that we are living in perilous times and that it is far better to be prepared and never have to use it than it is to be unprepared should the necessity arise. Just how successful the "Week" has been will not be known for some time yet.

The Legion Curlers made a good showing for themselves last week in Lethbridge. Trying out for the Provincial 'Spiel', they earned the right to meet Barons in the Southern finals. This will be played off in the near future.
